The Senior Class

Simms High School

Simms, Montana

As you leaf through these pages, may the warm, happy memories of the classmates, teachers, activities, and events that were a part of your school life at Simms High School come alive before your eyes. Treasure this "Tiger" and many years hence it can be your link with those acquaintances who will share these recollections with you though you be miles apart. Mellowed by sober thoughts, brightened by the humorous touch, enlivened by familiar faces, endeared by messages your friends have penned, this 1960 "Tiger" is very personally yours.

Looking Backward

On September 2, 1956, thirty-seven frantic freshmen entered Simms High School. It was really a time to remember for all of them. They entered a whole new world. They were: Dennis Andersen, Clark Choate, Priscilla DeSilva, Steven Edwards, Bob Evans, Richard Ewing, Jack Fatz, Ted Fisher, Nila Guill, Jeanne Halvorson, Russell Hatler, Roger Hoen, Tom Johnson, Allayne Johnston, Jeanette Kinna, Edward Kougl, Esther Knapstad, Kathy Lowell, Bill Miller, Betty Peterson, Burnette Peterson, Danny Plummer, Janice Porter, Randa Porter, Diana Rada, Burch Sand, Mary Sauke, Rocky Schauer, Stanley Smovir, Melvin Suek, Sue Taylor, Pat Umphress, Charles Warnick, Edward Whitcraft, Barbara Wiegand, and Larry Williams.

In our sophomore year we lost Clark Choate to Polson, Priscilla DeSilva to Great Falls, Edward Kougl joined the Air Force and went to Texas, Ted Fisher dropped out, Kathy Lowell moved to Washington, Betty Peterson married, Danny Plummer moved to Columbia Falls, Janice Porter moved to Poplar, and Edward Whitcraft joined the Army. We gained Gary Anderson.

In our junior year we lost Dick Anderson, Steve Edwards joined the Army, Jack Fatz joined the Army, Jeanne Halvorson moved to Fairfield, Jeanette Kinna moved to Bozeman, Esther Knapstad moved to Great Falls, Burnette Peterson became Mrs. Dan Weaver, Sue Taylor moved to Augusta, Barbara Wiegand went to Mount Ellis in Bozeman for half her junior year, and then came back to Simms High School. Ronald Denning and Roy Riggs joined us for our junior year and then moved away again. This was the year we had our first play. The meals we ate were fabulous (???) and we had fun putting it on. Our prom was "Blue Hawaii." It was a big success. The grass hut was all over the gym.

Our senior year we lost one and gained two. We lost Pat Umphress to her husband Skip Andersen, and we gained Jeanne Dieziger from Great Falls, and Jerry Kuebler from Centerville. That leaves twenty-two of us left who plan on graduating. They are: Dennis Andersen, Gary Andersen, Bob Evans, Richard Ewing, Nila Guill, Russ Hatler, Roger Hoen, Tom Johnson, Allayne Johnston, Jerry Kuebler, Bill Miller, Randa Porter, Diana Rada, Darrell Sand, Mary Sauke, Arthur Schauer, Stanley Smovir, Melvin Suek, Charles Warnick, Barbara Wiegand, Jeanne Dieziger, and Larry Williams.

Last Will and Testament

We, the graduates of the Class of 1960, being of sound mind and memory, do hereby make, publish, and declare this to be our last will and testament, hereby revoking any wills heretofore made.

FIRST: To Burton Smith, the class as a whole relinquishes their views on the subject of Republicans and Democrats.

SECOND: Dennis wills his study habits to Torval Stockamp. To Rex Denning, Jeanne wills her artistic ability. Gary wills his ability to wash windows to Phil Sprott. To Bob Henschel, Bob wills his good driving habits. Richard wills his curly black hair to Johnny Koger. To Corinne, Nila wills her ability to catch Great Falls, boys. Roger wills his manly chest and slim waist to Dennis Moe. To Larry Nash, Russ wills his wise comments. Jerry wills his boisterous ways to Sam Dean. To Ben Hoge, Tink wills his ability to catch and to keep a girl. Allayne wills her freckles to Janette Robbins. To Bill Waples, Bill wills his aggressiveness. Randa wills her set ways to Betty Skelton. To Jim Schaffer, Butch wills his singing ability. Mary wills Gary Wohlegemuth to Vicki Sauke (Keep him in the family that way). To Terry O'Neill, Rocky wills his ability to tell stories. Stan wills his interest in cars to Lonnie Porro. To Linda Tippetts, Melvin wills his idleness. Pat wills her ability to get along with people to Bob Thoroughman. To Naoma Wright and Sheila Nielsen, Barbara wills her ability to get boys' attention. Charles wills his ability to go with the Augusta girls to Russell Warnick. To Gwenevere Bjork, Larry wills his short nickname (Wad). Diana wills her height to Susanne Spangler.

THIRD: To the Junior Class, the Senior Class wills their ability to get along with each other so well.

IN WITNESS WHEREOF:

THE CLASS OF 1960

Looking Forward

What will the seniors of 1960 be doing in the year 1970? Well, let's take a look into our crystal ball and see.

Dennis Andersen is chasing dames, while Gary Anderson is chasing Waves (which kind)?

Jean Dieziger is married and living a quiet life in the suburbs. Bobby Evans has his own electrical shop. Oh! There's Rich, nicely settled with Barbara, after completing a college education. There goes Nila traveling around the world trying to find a new romance.

Well, who is that? It's Russell, working in a scientific laboratory, trying to see if the moon is made of gold or cheese. Roger is drawing cartoons for "Mad Magazine." Tink is helping his dad on a large wheat ranch - of course he is married, (need we say who?) My! Allayne is working in a prosperous business firm as the boss' private secretary, (not a bad looking boss).

As we continue to gaze, we find Jerry working on his thousand-acre ranch. Lady-killer Miller is a Lieutenant in the Marines, which is his career.

There goes Randa out to milk her cows, with five kids going too. Diana is married to Dick A. and still dreaming of that house in River View Terrace. Who is that Romeo we see? Well, it is Butch, perfecting his French Kissing and developing new ways to kiss.

We see that Mary is married to a millionaire, after finishing two years of college, (did it take two years to catch him?) Rocky is married and has quite a family; and has his own livestock ranch. There is Stan still trying to beat Mel at his own game. And what is Mel doing? He is the Mayor of Vaughn.

Faithful Charles is still going to Naval Reserve Meetings. Barbara is happily married to Dick M. and working industriously in a Beauty Parlor - she has a room in back for her kids. And there is Wad - well, he is trying to get his money back from the Breweries.
